YEARS

The original SIC included Boise, Caldwell, Idaho Falls, Nampa, Twin Falls, and Pocatello. It grew to include Borah, Highland, Minico and Skyline. Eventually, the eastern schools left the conference to form their own league. Evidence of their membership still exists in the All-Time League Records.

joined raising the team total to 8.

left lowering the team total back to 7.

and joined making the team total 9.

joined raising the total to 10.

joined creating a 13-team conference.

To accommodate, the league was divided into a which included and a which included Each division would play teams in its own division on a home-and-home basis, and each team in the other division once. Each division had its own tournament which then sent the top four teams to the tournament. This format lasted two years.

The teams left the league. The league was back to 7.

rejoined the league giving it 9 teams.

joined raising the team total to 10.

The league was divided into two included and included and As with the Division system of 1998, teams would play each team in their Pod on a home-and-home basis and the teams in the other Pod only once. There was no sub-district tournament.

The Pod system only lasted one year. and left the league, leaving only the 8 Boise and Meridian teams. The league returned to a single Division league.

and joined the league raising the number of teams to 10.

joined the league raising the number of teams to 11.
